To prevent croup, begin in time. The first symptom is hoarseness; this is soon followed by a peculiar rough cough, which is easily recognized and will never be forgotten by one who has heard it. The time to act is when the child first becomes hoarse. If Chamberlain's Cough Remedy is freely given, all tendency to croup will soon disappear. Even after the croupy cough has developed, it will prevent the attack. There is no danger in giving this remedy as it contains nothing injurious. It always cures and cures quickly. Benson, Smith & Co., Ltd., wholesale agents, sell it.

PLANS FOR IMPROVEMENT

Supt. Cooper Is Given Power to Go Ahead.

Yesterday's meeting of the Executive Council was occupied principally with matters concerning the Public Works Department. Secretary Cooper was authorized to furnish water required by the Kapiolani Park Commissioners in the preliminary plan for improvement of that park.

Mr. Cooper reported also that his department would require \$175,000 for the next three months' work and the matter was referred to the Treasurer.

A number of plans for street widening and improvement were submitted and approved. A settlement has been made of the leasehold of the Walters premises at Hotel and Union streets with Mrs. Fisher and plans for the widening of that street at the point in question will be carried through as soon as possible.

Supt. Cooper was authorized also to carry out plans for the widening of Fort street which will necessitate the setting back of the Jordan and Odd Fellows' buildings. The McLean building on Nuuanu street is also to be moved back to conform with the street line.

An exchange of land with Senator Achi for land needed by the government in widening King street in Kalihi and for a quarry site was approved. Achi is to receive land in South Kona.

The council also approved the plans for a new bridge over the Waimea River on Kauai and for the improvement of School street, including the construction of a sewer to drain that district.

CATHOLIC LUAU WAS ENJOYED

Given in Progress Hall for All Who Assisted in Church Fair.

More than a hundred ladies and gentlemen, mostly Hawaiians, sat yesterday afternoon at a luau in Progress hall which lasted from 1 o'clock until 6. It was given for those who assisted last Saturday in the same hall at the fair given in aid of the Kalihi-waena church organ fund. The feast was spread, Hawaiian style, upon a covering of ti-leaves and ferns laid upon the floor. Calabashes by the score were used as containers for poi and other ingredients of the luau, while tempting laulau of pig and fish, supplemented by sweet potatoes and native sweetmeats covered the table. Father Clement, of the Catholic Mission, who is in direct charge of the little church in Kalihi valley, was an honored guest.

In the evening a dance was given, which was well attended and thoroughly enjoyed until midnight. Despite the wet weather, the attendance was sufficient to fill the hall.

COLLEGE CONCERT WAS A TREAT

The concert given last evening in the Pauahi Assembly Hall by the Oahu Department of Music under the direction of Prof. F. A. Ballasey was a treat, although the audience was small, owing to the inclement weather. Enthusiasm, however, made up for the inclement weather and the limited attendance, and all the numbers of the program, with the exception of the solo, "Berceuse de Jocelyn," by Miss Florence Hill with violin obligato by Mrs. Lull, which was omitted, were well rendered. The program throughout was of a high order and the pupils showed much improvement.
